# ABOUT US

## ANCO KNOWS RENDERING

Founded in 1902, ANCO has continued to innovate and hone our expertise in the manufacturing of quality rendering equipment for over a century.

Today, our product line and production capabilities have doubled in size, and we maintain an inventory of replacement parts to ensure you have little to no downtime.

This is what we do, but why we do it makes all the difference.

Our ultimate goal is to be your long-lasting, collaborative partner. We will work with you to find the best solution for your rendering needs, whether that's implementing a new system, or working with your existing equipment. Our equipment transforms organic waste into something purposeful, so we have a positive impact on our environment.

Our longevity makes us experts, but our customer care makes us the right partner. We look forward to working with you.
